

Crawley A.I.M. Charity 6 & 12 hour track race 2nd April 2011

Twenty one athletes , including 3 females were set off at 7-00am by Race Director Pam Storey for the 12 hour track race at the K2 Leisure Centre, Crawley in perfect weather conditions for distance running.

These would be joined 3 hours later by eighteen males and 2 females running the 6 hour race.

Last years winner George Dayantis from Ringwood, Hants had run 100Kms in Perth the previous Sunday but, nevertheless, set off at a fast pace hoping to better his distance from last year of 88.15 miles (141.87Km). Stephen Pope from Sheffield was also running well as was Christian Grundner from Germany. Also maintaining a good steady pace was William Sichel from Orkney. William is a multi day specialist (over 48 hours up to 1000miles) and this was the shortest race he had run for several years. He was using this race as preparation for longer events later in the year. These runners were looking likely to figure in the prizes.

In races of this nature anything can happen and sadly for George Dayantis his legs began to cramp badly after 10 hours of running and it was necessary for him to withdraw from the race leaving the battle between Stephen, Christian and William. Nevertheless George was to finish in 3rd place ahead of William by some 3 miles.

Further down the field the three ladies including race walker and 2008 winner Sue Clements, Lorraine Fraser and Elaine Oddie were enjoying a good race. Elaine has taken part in every one of the Crawley races this being the 6th running of the event.

The final result was:-

1 st Male	Stephen Pope (unattached)	85.680 miles (137.980 km)
1 st Male Veteran	Christian Grundner LVR-Geiselhoring	79.04 miles (127.200 km)

	Sid Morrison (68) 100 Km Association	59.850 miles (96.310 km)

At 10-00am the 6 hour race was started with the runners soon settling in amongst the 12 hour competitors. In the field and keen to win this race was local runner Walter Hill who had twice won the 12 hour race here.
